Get ZotReady
make your emergency kit now!

Have some basic supplies on reserve and readily available to sustain you in case of an emergency. A basic kit usually consists of the following items and contains enough supplies to last at least three days.

Emergency Kit supplies:
• non-perishable, high energy food items
• water in bottles or other sealed containers
• a first-aid kit and medications (properly safeguarded)
• extra pair of glasses or contacts
• warm clothes and comfortable shoes
• flashlight and batteries
• whistle
• battery-operated radio and extra batteries
• list of emergency contacts
• extra charger for your current cell phone
• cash, about $20 (small bills)
• books, pack of cards, etc.
