What is a CSO?

CSOs perform various tasks, including the following:
- Safety Escorts
- Campus Patrols
- Patrol and close down University Hills Community Center
- Building Unlock and Lock-Ups
- Special Events Security (i.e. conferences, dances, athletic events, etc.)
- Check the Campus Emergency Blue Lights
- Bicycle registrations
- Work with UCIPD Police Officers, Dispatchers, and Administrative Staff on special assignments

Shift times typically occur after 5pm on weekdays and throughout the day on weekends.

Team Building
The CSO Program strives to build camaraderie among its staff and team building events foster teamwork and even builds lifelong friendships!
The ropes course located at the Anteater Recreation Center has been the highlight of every year’s team building event. Participants must not only work together as a unit, but also utilize creative thinking skills to successfully navigate the challenge course. By learning to collaborate and trust one another, CSOs are able to better serve both the Police Department and the community as a whole.
